Subject: IAC / Mellesmoen / Beazley Claim No. BEAZL100002878086

Jim and Ben:

Thank you again for talking to us concerning the status of the various pending IAC matters, including the Mellesmoen matter, on November 11. And thank you as well for sending along a copy of IAC's demurrer and motion to strike.

In light of the upcoming demurrer hearing, and with Beazley's understanding that defense costs are expected to remain well within the Policy's \$1 million retention, Beazley proposes that it defer its coverage evaluation for the Mellesmoen matter until after a ruling on the demurrer, in the event the matter moves forward. Please let us know if you agree with this approach. We are happy to discuss if you have any questions.

We also ask that you kindly keep us apprised of the status of the matter, including any further briefing on the demurrer as well as the result of the hearing on the demurrer in mid-December or any discussions between the parties.

In the meantime, please understand that Beazley continues to reserve all of its rights under the Policy and applicable law. Beazley recognizes that IAC similarly reserves its rights.

Thank you.

Regards,
Parker
